

Resume

Dr Asmita is an Assistant professor of Radiodiagnosis at the Sanjay Gandhi Postgraduate Institute, Lucknow, India. I completed my medical education at King George Medical University, Lucknow. I subsequently completed my post-graduation in Radio diagnosis at SGPGIMS, Lucknow. This was followed by a 3-year post-graduation experience (senior residency) at SGPGIMS, Lucknow).

My major areas of interest are in women's imaging (especially in breast imaging) & intervention and abdominal imaging including CT and MRI. I am also actively engaged in different types of image-guided procedures.
