OFFICE ORDER

As all are aware that MedTech Centre of Entrepreneurship (CoE) has been setup in SGPGIMS in collaboration with Software Technology Parks of India (STPI). STPI is an organization under Ministry of Electronics & Information Technology (MeitY), Government of India, established in 1991 with an objective of boosting the software and Electronics hardware exports from India.

The MedTech COE, offers the platform to innovators and entrepreneurs to develop the deliverable product from the state of idea. To achieve this goal, the funding is available for developing the idea to the stage of delivery and marketing of the end product through investment by interested angel investors.

The objectives of setting the same are to boost start-ups in the field of medical equipment/electronics & health informatics, and, to contribute to #makeinindia & #digitalindia programs of Govt. of India by reducing Health Care Equipment imports and recognize the value of Health Care Equipment & Technology locally.

Apart from physical infrastructure MedTech CoE at SGPGI, Lucknow have two dedicated Labs with high-end testing equipments, along with having access to Technocrat/Medical practitioner's mentorship, mentorship programs and VC funding, Legal and IPR support, Marketing assistance, and access to 21+ domain specific CoE's PAN India etc.

MedTech CoE has launched three open challenge programs (OCP1.0, OCP2.0 and OCP3.0) as of today and on-boarded around 25 start-ups and now has launched 4th Open Challenge program on 28th Feb'2023.
