No. 599 /PGI/DIR/DC/20
Dated : 31st August, 2020.

OFFICE ORDER

It has been observed that some of M.Sc students residing in the CMT Hostel left for home outside Lucknow without any written information to the competent authority and on their return they did not get their Covid test. In order to avoid such incident in future, the following guidelines should be followed strictly in the above matter:

- 1- It is advisable that such students should take a written permission from the CMT hostel warden/faculty in charges as well as from Prof. Ujjala Ghoshal, HOD-Microbiology, before leaving the hostel for outstation visits.
- 2- All HCWs who want to return to work after outstations visit, are required to stay in quarantine for 7 days and may be allowed to join work after a negative COVID RT PCR report at the end of the quarantine Period.
- 3- In case of a communication gap or lack of clarity of action, the Faculty in-charge CMT, HOD Microbiology and the Faculty Incharge HCWs infection committee should be consulted on an urgent basis.
